

SSSC E-NEWS

The South Shore Swimming Club
Fortnightly Email Newsletter

You can also follow us on  and  or southshore.swimming.org.au

Thank you for taking the time to read our newsletter. We hope you are enjoying our new communications, as we aim to give you regular and focussed updates that will enhance your swimming experience with South Shore Swimming Club.

With our Super Sprint only days away, it will be no surprise that much of this newsletter focuses on our plans for the day and the help we need from our south shore families. I hope you are all as excited as we are and I look forward to seeing you all there. I am also looking forward to meeting many of our junior squad parents at the 'Info with Irene' session tomorrow.

Irene Cooke
President, South Shore Swimming Club

IMPORTANT DATES

The following target meet and club night are now open in *My Swim Results* for you to register in your chosen events. If you are unsure what to sign up for, please seek advice from your coach and they can help you choose which events to target for maximum success.

Date	Type	Event
Sun 8th Aug	Target Meet	SSSC Super Sprint
Mon 16th Aug	Club Night	CN5 Long Course, LeisureFit Booragoon

As we inch closer to the state championships for both our seniors and juniors, there will be many of you still trying your hardest to get the times that you need in order to qualify. Many swimmers for all of the clubs across Perth are in the same position and consequently, the remaining meets fill up very quickly. While there are no more SSSC target meets left for this short course season, there are still a couple of optional meets in MSR that you are able to sign up to. We believe in you and wish you the best of luck.

SSSC SUPER SPRINT - SUNDAY 1ST AUGUST 2021

The Super Sprint is our opportunity to step up as a club and host a meet for the swimming community, as so many other clubs do throughout the season. It is also a fantastic chance for us to raise much needed funds for our club that will go towards the purchase of items such as electronic touch pads and a scoreboard. Our success however, does rely on your support and assistance beforehand and on the day.

We are so thankful to those of you who have already signed up for volunteering roles, but there are still many spots to be filled. Over 70 South Shore families have entered the meet, which is a fantastic turnout and everyone will be assigned volunteer duties during the Super Sprint. Please keep a close watch for emails this week, that will contain details of your volunteer roles.

Thank you to the South Shore families who have come forward with their own family or business donation for a race, we appreciate it so much. If you would like to sponsor a race, but haven't had the chance yet, please click [here](#).

In preparation for what will be a busy and fun day on Sunday, we thought a handy list of things to remember might be helpful:

Before the Super Sprint

- Sign up for the meet
- Enter your details on the volunteer roster
- Sponsor a race
- Donate and drop off 2 or 3 instant win scratch cards to your swimmer's coach
- Bake a sweet or savoury treat donation for the cake stall

What you need on the day

- One parent spectator - we are limiting attendance of parent spectators due to the high attendance numbers of swimmers at the meet and the indoor capacity limits that we are bound by for health and safety
- Cash - for gold coin entry donation, raffle, drinks, cake stall and BBQ (eftpos will be available at the cake stall and BBQ)
- Warm clothes - the pool itself is heated, covered and enclosed, but with indoor capacity limits of 470 people, there will be significant movement in and out of the venue all day. SSSC are providing plenty of outdoor heaters and there is cover from the elements outside, but will still advise you to make sure that you and your swimmer(s) wrap up warm
- Your donation for the cake stall, to drop off when you arrive

We look forward to seeing you all on Sunday.
