I hope you're all adjusting to the busy summer schedule with a smile on your face, a spring in your step and definitely a pat on the back after multiple training sessions, our first two club nights, full weekend target meets and/or sunny early mornings at the beach...and that's only your South Shore commitments in the last few weeks! There has been lots of information released for everyone to absorb, including state and national qualifying times and confirmation of Adelaide holding the open water and age championships in early 2022, which we hope are filling our swimmers with excitement for the future and their aspirational goals. I am thrilled to include a piece in this newsletter about our SSSC Performance Squad swimmer, Mason Calter. Mason was recently announced as Head Boy for Applecross Senior High School and we couldn't be happier for him or prouder to have such a wonderful role model as an integral member of our club. On a more solemn note, Jason Mack has resigned from his position as a Junior Squad Coach for South Shore Swimming Club. Jason has been a huge part of our South Shore Family for many years and we will always hold him in high regard and am sure he will stay in contact with everyone. We wish Jason the best of luck in his future endeavours.

Swimming WA and Swimming Australia have now released all state and national qualifying times for the 2021/22 Long Course Season. Qualifying times for the Swimming WA State Championships and all supporting information can be found in the [Swimming WA Almanac](#) on MSR and likewise for the Australian Age Championships all details and qualifying times can be found at the [Swimming Australia](#) website. Please check the latest iterations carefully, as there were some errors when they were first communicated, that have since been rectified.

NEW LEADERSHIP ROLE FOR MASON CALTER

We would like to extend our deepest congratulations to Mason Calter on his recent appointment into the prestigious leadership position of Head Boy at Applecross Senior High School for 2022. Mason is a senior performance squad swimmer at SSSC and an excellent role model to all of our swimmers, widely respected amongst his peers and throughout the junior squads.

Most recently, we watched on as Mason guided his younger sister Chloe through her first Club Night with South Shore. Mason's guidance, gentle encouragement and unwavering support of Chloe was laced with love and pride, but these traits extend further than just those who he loves and that is what makes Mason the fantastic leader that we are all extremely proud to have as part of our club.

At South Shore Swimming Club, we are so proud of the young leaders that are continuing to develop their skills and in turn benefiting our junior swimmers in the process. Mason is now the third swimmer that has achieved recognition and been elected as Head Boy during the final year of his high school experience. In 2019, Kynan Ganza was Head Boy for Aquinas College and Eran Raichel was Head Boy at Applecross Senior High School. Both Kynan and Eran were performance squad swimmers and have been integral in the development of our club. We continue to watch on with pride at their development beyond the swimming world. Congratulations again to Mason, we look forward to following your journey and supporting you all the way.

"I have had the pleasure of knowing and engaging with Mason for a number of years, both as a swimmer and as an individual. Mason is a true scholar, gentleman and leader who gives of his best in all that he does. One can rest assured that he will serve Applecross Senior High School with distinction. Good Luck, Mason."

Craig Murray, Lead Senior Squads & Head Coach of South Shore Swimming Club

OWS CONTINUING TO PRODUCE GREAT RESULTS

A calm and sunny morning, turned a bit chilly and bumpy once our swimmers got into the ocean at the Round 2 Open Water Target Swim at Leighton Beach on Saturday 23rd October. South Shore had our largest turnout yet, with 26 swimmers braving conditions and giving it their all. Many swimmers achieved very creditable results and South Shore represented well with podium finishes too. Congratulations to all of our swimmers.
